If the Insured shall make any claim knowing the same to be false or fraudulent, as regards amount or otherwise, this policy shall become void and all claims hereunder shall be forfeited.

We must draw **Your** attention to a number of important features of this Insurance:

- This part of the document provides details of **Your** policy and the terms and conditions that apply. The policy is a legal contract between **You** and **Us**. The policy wording, statement of fact, **Insurance Schedule** and any Notice to Policyholders issued to you at renewal, make one document and must be read together. Please keep them together
- The contract is based on the information **You** gave **Us** when **You** applied for the insurance
- **Your** policy is in two parts – this policy wording and the **Insurance Schedule**:

Policy	Schedule
<ul style="list-style-type: none">• Exactly what is covered and what isn't• How to make a claim and how We will settle that claim• Our obligations to You• The terms and conditions you must comply with	<ul style="list-style-type: none">• The sections of the policy that apply to you and the dates from which cover is in force• The various limits and sums insured that apply to Your cover• Any special terms that apply to Your policy• Your Premium• Your policy number

Our part of the contract is that **We** will provide the cover set out in this policy wording:

- for those sections which are shown on **Your Insurance Schedule**
- for the insurance period set out on the same **Insurance Schedule**.

Your part of the contract is:

- **You** must pay the Premium as shown on **Your Insurance Schedule** for each insurance period
- **You** must comply with all the terms and conditions set out in this policy.

If **You** do not meet **Your** part of the contract, **We** may turn down a claim, increase the premium or **You** may find that **You** do not have any cover.

IMPORTANT FEATURES:

Insurance Booklet: **You** should read this document carefully in conjunction with the insurance schedule. It gives details of what is and is not covered by the Insurance and the Conditions and Exclusions of the cover.

Conditions and Exclusions: Conditions and exclusions will apply to individual sections of the Insurance while general exclusions and conditions will apply to the whole insurance.

Limits: All sections have limits on the amount **We** will pay under that section. Some sections also include inner limits.

Excesses: Claims under certain sections may be subject to an **Excess**. Where there is an **Excess**, **You** will be responsible for paying the first part of a claim.

Reasonable Care: **You** are required to take all reasonable care to protect yourself and **Your** property and to act as though **You** are not insured.

Complaints: This insurance includes a complaints procedure which tells **You** what steps **You** can take if **You** wish to make a complaint.

'Cooling Off' Period: This insurance booklet contains a 'cooling off' period, which allows **You** to return it if **You** have justifiable reason to be dissatisfied with the cover provided.

Please read this policy carefully to ensure that it meets **Your** requirements and that **You** understand its terms, exclusions and conditions. Please contact Insure4Boats immediately if any corrections are necessary.

WHAT TO DO IN THE EVENT OF A CLAIM

OUR CLAIMS DEPARTMENT

In the event **You** need to make a claim, **Our** claims service is provided by MAC Marine Claims who are **Our** nominated claims handlers.

HOW TO MAKE A CLAIM

If **You** have had an **Accident** for which **You** want to make a claim under **Your** insurance policy, this document will provide **You** with some important facts about what to do next.

Please notify **Us** immediately of the loss, and in any event, within 30 days of its discovery.

Email: office@macmarineclaims.com

Telephone: +44 (0)333 400 9159

Post: **MAC Marine Claims Ltd., Suite 26 Alum House (FF), Discovery Court, 551-553 Wallisdown Road, Poole, Dorset BH12 5AG**

If anyone has been injured, **You** should prioritise their treatment ahead of other matters.

Please take necessary reasonable steps to mitigate the loss, and protect any damage from deteriorating, but do not commence any repairs until **You** have received permission to do so as a surveyor may need to inspect the damage prior to repairs commencing.

Do not admit liability if **You** have been involved in a collision with a **Third Party**.

Theft or malicious damage claims must be reported to the Police and the Crime Number noted.

Only the loss or damage caused by the incident for which **You** are claiming is covered by **Your** policy.

Please take care not to:

- Make any false statement in support of **Your** claim.
- Overestimate **Your** claim.
- Include in **Your** claim any items that were not lost or damaged in the incident.

Do be aware that attempting to mislead **Your** insurers over any part of **Your** claim may prejudice **Your** entire claim under the policy.

The **Water Sports Equipment** is **Your** asset and **Your** responsibility at all times, so **You** will need to obtain estimates and manage the repair process. If **You** cannot get identical replacement items due to obsolescence, get estimates for current models of an equivalent standard and specification.

If **You** wish to take the opportunity of **Your Water Sports Equipment** being in for repair to have other work done, or to upgrade any damaged equipment please ensure that **You** mark this clearly on any estimates and invoices, and agree with **Us** first what part of the costs will be paid by **You**.

If repairs are delayed for any reason outside the control of **Your** insurers, the insurers will not be liable for any resultant increase in costs.

Following a valid claim, **We** may, without incurring any further liability and without diminishing **Your** right to rely on any condition of this insurance, take and keep possession of any of the **Water Sports Equipment** insured under Section 3 and to deal with salvage in a reasonable manner, but **You** may not abandon any property insured to **Us**

If **You** believe someone else is responsible for the damage to **Your** boat **You** have two options;

1. Claim off the other party.

Write to the person who caused the damage holding them responsible.

If they are insured, their insurers should settle **Your** claim directly with **You**, and **You** may also be able to claim for any out of pocket expenses **You** have incurred as a result of the incident.

2. Claim off **Your** insurance policy.

If the incident is covered under **Your** own insurance policy, **You** may claim off that.

Your policy **Excess**, and any other applicable deductions, will be applied to any payments the insurers make, even if the incident was not **Your** fault.

Your insurers may try to recover their costs from the other party or their insurers, and they may agree to include any out of pocket expenses **You** have incurred, together with **Your** policy **Excess**. These are termed **Your** 'uninsured losses'.

To the extent that the recovery action is successful, a proportion of **Your** policy **Excess** and any other 'uninsured losses' can be refunded to **You**.

Your insurers are not obliged to attempt a recovery and may decide not to do so if there is little chance of success or if the cost of the recovery action is disproportionate to the amount which would be recovered.
