WHAT TO DO IN THE EVENT OF A CLAIM

OUR CLAIMS DEPARTMENT

In the event You need to make a claim, Our claims service is provided by MAC Marine Claims who are Our nominated claims handlers.

HOW TO MAKE A CLAIM

If You have had an Accident for which You want to make a claim under Your insurance policy, this document will provide You with some important facts about what to do next.

Please notify **Us** immediately of the loss, and in any event, within 30 days of its discovery.

Email: office@macmarineclaims.com Telephone: +44 (0)333 400 9159

Post: MAC Marine Claims Ltd., Suite 26 Alum House (FF), Discovery Court, 551-553 Wallisdown Road, Poole, Dorset BH12 5AG

If anyone has been injured, You should prioritise their treatment ahead of other matters.

Please take necessary reasonable steps to mitigate the loss, and protect any damage from deteriorating, but do not commence any repairs until You have received permission to do so as a surveyor may need to inspect the damage prior to repairs commencing.

Do not admit liability if You have been involved in a collision with a Third Party.

Theft or malicious damage claims must be reported to the Police and the Crime Number noted.

Only the loss or damage caused by the incident for which You are claiming is covered by Your policy.

Please take care not to:

- Make any false statement in support of **Your** claim.
- Overestimate Your claim.
- Include in Your claim any items that were not lost or damaged in the incident.

Do be aware that attempting to mislead Your insurers over any part of Your claim may prejudice Your entire claim under the policy.

The Water Sports Equipment is Your asset and Your responsibility at all times, so You will need to obtain estimates and manage the repair process. If You cannot get identical replacement items due to obsolescence, get estimates for current models of an equivalent standard and

If You wish to take the opportunity of Your Water Sports Equipment being in for repair to have other work done, or to upgrade any damaged equipment please ensure that You mark this clearly on any estimates and invoices, and agree with Us first what part of the costs will be paid by You.

If repairs are delayed for any reason outside the control of Your insurers, the insurers will not be liable for any resultant increase in costs.

Following a valid claim, We may, without incurring any further liability and without diminishing Your right to rely on any condition of this insurance, take and keep possession of any of the Water Sports Equipment insured under Section 3 and to deal with salvage in a reasonable manner, but You may not abandon any property insured to Us

If You believe someone else is responsible for the damage to Your boat You have two options;

1. Claim off the other party.

Write to the person who caused the damage holding them responsible.

If they are insured, their insurers should settle Your claim directly with You, and You may also be able to claim for any out of pocket expenses You have incurred as a result of the incident.

Claim off **Your** insurance policy.

If the incident is covered under **Your** own insurance policy, **You** may claim off that.

Your policy Excess, and any other applicable deductions, will be applied to any payments the insurers make, even if the incident was not Your fault.

Your insurers may try to recover their costs from the other party or their insurers, and they may agree to include any out of pocket expenses You have incurred, together with Your policy Excess. These are termed Your 'uninsured losses'.

To the extent that the recovery action is successful, a proportion of Your policy Excess and any other 'uninsured losses' can be refunded to You.

Your insurers are not obliged to attempt a recovery and may decide not to do so if there is little chance of success or if the cost of the recovery action is disproportionate to the amount which would be recovered.
